

IFIP IoT 2026

9th IFIP International IoT Conference

Date: 12-14th November 2026

Location: Dubai, UAE

The IFIP International IoT Conference covers a broad range of topics and brings together perspectives from diverse stakeholders while addressing IoT lifecycle stages, from development and manufacturing to deployment, management, and usage.

Main Topics

- **Track 1: IoT Systems, Networks & Applications**

- Scalable, Distributed, and Autonomous IoT Systems Design
- 5G/6G Integration for IoT
- Edge and Fog Computing Architectures

- **Track 2: IoT Security and Privacy**

- Lightweight Cryptography for Sensors
- Blockchain-Enabled Decentralized Security
- Intrusion Detection and Mitigation

- **Track 3: AI for IoT (AIoT)**

- On-Device Machine Learning (TinyML)
- Generative and Explainable AI (XAI)
- Deep Learning for Signal Processing
- Reinforcement Learning for Resource

Submission Guidelines

Submitted papers must be original, unpublished, and not submitted to another conference.

Accepted papers will be presented at the conference and included in the post-conference edited book published in the IFIP **AICT** series.

- **The conference will include Best Paper Awards**
- **Selected papers will be invited to submit extended versions for publication in top-tier journals**

Deadlines:

Phase 1:

- Submission deadline: April 1, 2026
- Notification deadline: April 30, 2026

Phase 2:

- May 1, 2026
- May 30, 2026

Phase 3:

- June 1, 2026
- June 30, 2026
